*If you wish to be a
delegation at
Council, please
contact the Clerk by
the Wednesday
prior to the
meeting.*

Happy Spring Everyone,

I'm excited to be back in the garden planting and getting the yard ready for summer. It shouldn't be long now before the lakes are warm and summer is in full swing!

Things are getting busy in Trent Lakes with more Community Improvements taking place this summer. Recently we celebrated the opening of the new restaurant in Buckhorn...The Lock Stop Café. We wish Kelly Coon a successful season. Improvements will occur in the new waterfront park property in Buckhorn so we can look forward to seeing changes there.

There is also conversation around the Municipal election this fall. The Council term is moving along faster now that we are in the home stretch. People are inquiring about the electronic voting as this will be a change for our voters. If you're interested in running for council, there are a number of resources available for you on our website. On our elections page you'll find all the necessary paper work, as well as a helpful online instructional course.
www.trentlakes.ca/council/elections/candidate-information/

Over the past weeks and at the public meeting regarding the Central Road Depot, it was nice to hear the positive comments about the condition of our roads and how well they are cared for. Congratulations to the Roads Department and thanks for all that you do to keep our roads safe to travel on.

The tri-council meeting with Selwyn, Curve Lake and Trent Lakes was last month and held in Bridgenorth. Our meetings are always interesting and informative where we share what is going on in each of our areas. My wish is that the new council for 2018—2022 term will continue with the tri-council meetings.

Remember to use the Trent Lakes website for your information needs and to advertise your business. The business directory is free to register for.

Discover Trent Lakes will be taking place again and this gives visitors as well as locals a chance to visit interesting places in all parts of Trent Lakes.

The nice weather is here so take the time to enjoy our beautiful Municipality.

Bev Matthews - Mayor of Trent Lakes

Check it Out!

It is an exciting time at Trent Lakes Public Library. We are happy to announce that award-winning author of *The Book of Negroes* and *The Illegal*, Lawrence Hill, will be coming to Buckhorn on July 17th. The event will be held at the BCC and will include a chicken dinner. Tickets are only \$20 and are available at both branches of the library.

Library programs are continuing to run every week. Cavendish Youth Group meets Tuesday evenings from September until June. All children are invited to join us at the Cavendish Community Centre from 6:00 to 7:30. Knit and Lit runs every Friday morning at 11:00 at the Buckhorn branch.

Story Time runs every Wednesday morning at the Buckhorn branch and will continue throughout the summer. There are some great programs coming including a visit from Woolley Farms, Trent Lakes Fire and Rescue, and a visit with Endrit from Pizza Alloro! The library will also be hosting author Pam Withers in May.

Please drop by either branch of Trent Lakes Public Library for more information or visit our website at www.trentlakeslibrary.ca

Buckhorn Community Improvement Plan

The Municipality of Trent Lakes will be working with local business owners in the hamlet of Buckhorn. There are currently three programs offered which include a Landscape Improvement Grant, Building Improvement Grant and an Improved Signage Grant. For more information visit our website at www.trentlakes.ca /departments/economic-development

Inspection of Vehicles at Transfer Stations

The Municipality of Trent Lakes Waste Management By-law specifically states that all vehicles must be inspected prior to entering the Waste Transfer Station Site.

The Ministry of the Environment and Climate Change (MOECC) regulates all disposal of waste in the Province of Ontario. Each waste transfer site, landfill, compost facility, etc. is governed by the *Environmental Protection Act*. Under this Act, the Municipality must apply and be granted a Certificate of Approval to operate a waste disposal/transfer station site.

This Certificate of Approval outlines exactly what material can be accepted at a site. All the material (waste and/or recycling) is subject to the very specific regulations and conditions determined by the MOECC in accordance with the *Environmental Protection Act*. If the Municipality accepts any material that is not permitted at the site, the Municipality is in violation of the Certificate of Approval for the site and is subject to legal action by the Ministry up to and including permanent closure of the waste disposal/transfer station site.

To prevent unacceptable materials being received at our Transfer Station Sites that would violate the Ministry approval, our Waste Management By-law protects the Municipality by requiring the Transfer Station Attendants to inspect the waste, recyclables, compost, etc. in each vehicle every time a vehicle enters the site.

Discover Trent Lakes is back with new destinations to visit and new prizes to be won! Join us this summer for a new journey through our beautiful Municipality! The contest runs from May 18th to October 31st. Complete your Discovery Log and return it to us by October 31st to be entered in the prize draw!

You can get a Discover Trent Lakes Passport at the Municipal Office, the Trent Lakes Libraries, the Buckhorn Welcome Centre, the Kinmount Tourist Information Centre and a variety of other locations.

Pursuant to By-Law B2017-053, **flying lanterns** are prohibited in Trent Lakes and fireworks are prohibited during a Burn Ban.

Contact 1-705-738-3800 ext 301 for Burn Ban information.

Please remember that when building a structure over 108 square feet a building permit is required.

Also, if you have a structure on a property that is assessed as vacant, we need to be notified.
Please Contact 1-705-738-3800 ext. 233

Public Notice
Regarding
Winter Roads Sand for
Fire Route and Private Roads

Notice is hereby given that the Municipality of Trent Lakes will no longer deliver winter road sand to any fire routes or private roads within the Municipality starting the fall of 2018.

Owners of property on a fire route or private road are solely responsible for arranging for the supply and delivery of their winter sand requirements.

This notice is being provided as a reminder to allow sufficient time to make private arrangements for winter sand delivery to be obtained prior to the next winter season.

If you have any questions regarding this matter please email info@trentlakes.ca

2018 Municipal Election

In the 2018 Municipal Election, electors in the Municipality of Trent Lakes will be voting electronically, by either a touch tone telephone or internet only. There will be no paper ballots. A Voter Help Centre will be established at the Trent Lakes Municipal Office with telephone and internet access for electors that do not have access to such connections. Please visit www.voterlookup.ca to verify that your information is up-to-date.

Important Dates

Nomination Starts: May 1st, 2018
 Nomination Day: July 27th, 2018 by 2 p.m.
 Election Day: October 22nd, 2018
 Inaugural Council Meeting: December 4th, 2018

Tax Bill

The 2018 Final Tax Bill will be mailed out during the last week of June. The installment due dates will be August 29th, 2018 and October 29th, 2018. Please contact the office if you have not received your bill before July 9th, 2018.

For full event details and accepted items, contact the County of Peterborough at 705-775-2737 or visit their website: www.county.peterborough.on.ca

Level of Service Questionnaire

Over the summer, the Municipality will be conducting a Level of Service Questionnaire about existing service levels and assets such as road infrastructure, recreational facilities and other municipal buildings. Your views and opinions will be used to determine if existing assets are performing up to expectation and where improvements may be required.

More information will be coming soon on the Municipality's website and in your Final Tax Bill.

Congratulations Trent Lakes Residents!

We are being awarded the E.A. Danby Award from AMCTO for our Enhanced Waste Management Program because of your enthusiastic participation in numerous recycling and waste diversion programs.

We will be offering the electronics recycling program, household battery recycling, oil container recycling and fluorescent tube recycling at all Transfer Stations again this year. The Re-Use Centres are now open – be sure and check them out. Just ask our attendants for more information about any of our programs.
