

COVID-19 Business List

Re: Takeout, Delivery

COVID-19 is constantly changing our world. Please call first to ensure the service is still being offered. If you are a Takeout/Delivery or Food Service provider that we've missed on our list, email lholtz@trentlakes.ca if you would like to be added.

If You Find Yourself or Your Families Short of Food:

Community Care Buckhorn is offering free ready-made frozen Meals on Wheels to people needing meals. They are also partnering with the Municipality of Trent Lakes and offering food vouchers from Foodland for people to come by the Community Care office to pick up or delivery to homes. If you would like to help with that program they will be most appreciative of monetary donations. Please contact Community Care Buckhorn at the contact information below to find out more about these programs. All is kept with the strictest of confidence of course.
