Purpose and Effect of the Zoning By-Law Amendment

The property is currently zoned "Rural (RU)" in the Municipality's Comprehensive Zoning By-law No. B2014-070, as amended. The amendment is a requirement of provisional consent for applications B-110-24 and B-111-24 for the creation of two residential lots. The proposed lot size does not conform to the current Rural zoning of the property; therefore, the purpose of the proposed Zoning By-law Amendment is to rezone the proposed residential lots from the "Rural (RU)" Zone to the "Rural Residential (RR)" Zone to achieve conformity with the Municipality's Comprehensive Zoning By-law.

The applicant has submitted the following information which is available for public review at the municipal office during regular business hours and on the website under the "Current Planning Applications" tab:
