**By-law No. B2022-028**

---

**A by-law to set the mileage rates for compensation of  
employees and members of Council for use of personal  
vehicles on approved municipal business**

**Whereas** Section 283 of the Municipal Act, 2001, S.O. 2001, c.25, as amended, provides that municipalities may only pay the expenses of members of its council or of a local board of the municipality and of the officers and employees of the municipality or local board if the expenses are of those persons in their capacity as members, officers or employees and if the expenses are actually incurred or the expenses are, in lieu of the expenses actually incurred, a reasonable estimate, in the opinion of the council or local board, of the actual expenses that would be incurred;

**And Whereas** Council deems it appropriate to compensate employees and members of Council for the use of personal vehicles while on approved municipal business;
